

STATEMENT OF PURPOSE

RS21940

This amends Idaho Code 49-402D to clarify that legislation regarding specialty license plates is not subject to rejection or approval by the Idaho Transportation Department. These amendments specify that the legislature can pass specialty plate legislation before, during or after the application process, but that the plates will not be printed until all prerequisites to the Department of Transportation have been met as outlined in section 2 of Idaho Code 49-402D.

FISCAL NOTE

No fiscal impact.
